

WILLIS & GAMBIER
furniture designed for life

SPIRIT BEDROOM

The warm tones of the solid Chinese Oak and Oak veneers give this range warmth and character and the combination of simple clean lines, round corners and delicate legs give it a soft, organic feel. Stylish, rounded finger joints feature on drawer fronts, with all pieces treated with a natural, low gloss lacquer.

With its unfussy, classic good looks Spirit adds a touch of sophisticated yet homely style to both town and country settings.
