

A bedroom interior with a white bed featuring cane headboard and footboard. The bed is dressed in a light blue tufted duvet and several pillows. A white shaggy blanket is draped over the footboard. To the left, a large ornate gold mirror reflects the bed. A white bedside table holds a lamp and a small plant. A wooden chair with a star-shaped backrest stands in the foreground. The ceiling has exposed wooden beams and a chandelier with crystal droplets. The floor is made of white-painted wooden planks.

Evoking the era of French Renaissance, the gentle curves and soft lines of Chantilly provide an elegant solution to achieve a sophisticated bedroom look. The light colour and subtle Patina will compliment most colour schemes. Beneath lies the quality of traditional cabinet making, including dovetail joints and hand carved details. Good proportions combined with efficient storage capacity, give this range its pedigree.
